

## **Thankful**

From deep in my heart  
Come melodies clear  
As I go on my way  
My music of love,  
Praise songs you can hear,  
And even in times of trouble  
I can say  
Thankful, I am thankful  
Your love makes me sing.  
Thankful, I am thankful,  
Thankful to my King.  
Jesus, You're my King.
